

**Friends of the Library
Membership Drive 2021**

Dear Friends and Members of the Library,

We appreciate your support and again hope you will join us for 2021.

If you have ideas about improvements or projects you would like to see implemented, please attend our meetings; all are welcome. Meeting dates are listed in the Bargain Hunter and on the Clifton Community Library website.

In 2019 we continued to sponsor the Cranberry Lake Art Show. We also co-sponsored, with the library, concerts in the pavilion. Large print books, Masterpiece Theater DVD collections and art supplies for the Thursday morning art group were purchased. And a donation was sent to the Backpack program for the Clifton Fine school. All thanks to you!

Thank you for your participation and we would love to see you at our meetings!

Sincerely,
Marilyn Zimmer
President
